

- **Shelter and Transportation Expert**

- Describe the type of home they lived in.
- Did they use different shelter depending on the season/weather?
- What natural resources were used to construct the home?
- How did they move from place to place?
- Did they travel from place to place? (Were they nomadic?) Why or why not?

Tribe:	
Type of homes they lived in.	
Did the homes change?	
What natural resources used to make homes?	
Did they move from place to place?	
How did they move from place to place?	

Keep track of videos/books/websites. You need to quote the source in your presentation.
